

Islip, NY – Islip Town Supervisor Phil Nolan and the Islip Town Board recently honored students from St. John the Baptist High School in West Islip for taking part in extensive volunteer work to help those less fortunate in Peru.

For the past two years, students and faculty members from St. John the Baptist Diocesan High School in West Islip have traveled to Hogar San Francisco de Asis in Chaclacayo, Peru, where they have cared for children in need of medical assistance that they could not afford.

“It’s inspiring to see these young people take part in such great work,” said Supervisor Nolan. “Their actions show that when we come together, we can help out all of our neighbors, whether they’re down the road or on another continent.”
